The title of the program is "The Language Arts as a Tool of Communication." Language arts includes reading, writing, English, grammar, literature, listening, critical thinking, and creative expression.

Assistant Superintendent S. E. Waldrip will report on the current status of local school construction.

Film on Japan

"Golden Demon," a film built around life in late Nineteenth Century Japan, will be shown January 16 at the Arts and Crafts Center, 1511 Cravens Avenue.

Filmed in color, the 95 minute cinema sensitively tells of a tragic love affair during the era when Japan was changing from a feudal to a modern way of life. It has English titles.

The 7:00 and 8:30 p.m. presentations are part of a monthly series presented by the Torrance Art Group and the Los Angeles County Museum.
